

Rebecca trudged down the sidewalk, looking into the various shops that were to her left. She was trying to window shop to get her mind off the conversation she had earlier with her roommate, Amelia. From the first moment Rebecca laid eyes on Amelia, she was in love.

Amelia was tall, super curvy, beautiful, and blond; she was basically a goddess in Rebecca's eyes. Rebecca spent much of their first semester together trying to win over Amelia's affection for no gain. Today Rebecca just flat out came out and said she loved Amelia and she wanted to be with her.

To Amelia's credit, she was extremely sweet and gentle when turning Rebecca down, but turn her down she did. "You just don't have what I want," was what the other woman had said to Rebecca, and Rebecca knew what she meant. One day, about halfway through the semester, Rebecca walked in on Amelia masturbating hard.

The blond-haired woman was using a massive dildo, so massive that it made Amelia's belly bulge out several feet. Then to top that off, the porn she was looking at was of two women fucking; both had massive tits, giant asses, fat pussies, huge nipples, and one of the women was sporting a cock and balls. The cock was even bigger than the dildo Amelia had been using on herself.

Amelia was so wrapped up in playing with herself that she never noticed Rebecca had walked in on her that day. Or at least she never said anything if she did see Rebecca. As soon as she saw what was going on, Rebecca quickly and quietly backed out of the room. It made sense now why Amelia never returned any of Rebecca's affections. Amelia was into some stuff that Rebecca could never be. She was short, mousey, brown-haired, flat-chested, and a no-butt nobody. Amelia was a buxom, curvy, sexy, size queen goddess who demanded the same from her lover. There was no way Rebecca would ever gain her affection.

Rebecca could feel tears forming in her eyes when something caught her attention. Looking through the old antique shop's window in front of her, Rebecca could see a beautiful-looking lamp. It was an old oil lamp, like something you would see out in Egypt. "Cool," Rebecca said, leaning in to get a better look. It was only twenty dollars. "Maybe buying something will lift my spirits," she said to herself before going into the store. One transaction later, Rebecca walked out carrying the old lamp in a paper bag.

Rebecca had been out for a few hours now after fleeing Amelia and her room after her confession. It was starting to get dark out, so Rebecca figured it was probably best to head home. She opted to cut through the park. With no one around, it was kinda creepy, so Rebecca pulled the lamp out to look at it to try and distract her from her anxiety. Looking over the lamp,

Rebecca grimaced. There were fingerprint smudges all over it from the clerk. Grabbing a part of her shirt, Rebecca rubbed the lamp all over, trying to shine it and get rid of the fingerprints.

As she rubbed the lamp, it started to glow. "What the?" Rebecca spoke before the lamp bounced away from her hands. When it landed on the ground, purple smoke started to billow out from the lamp. Rebecca gasped and backed away from the growing cloud.

The smoke started to take form, and Rebecca's jaw dropped as a naked woman sporting the biggest set of tits and the fattest ass appeared before her eyes. Mmmm, usually I like to be taken out to dinner before getting a rubdown like that," the massive, hyper-endowed woman said in a smokey, sultry voice. "Oh well, look at you," she said as she swept in closer to Rebecca. "Aren't you a tiny cutie," she added with a mirthful giggle. "I'm not used to my masters being so cute," the enormous, curvy woman said as she circled Rebecca floating in the air.

"Master?" Rebecca said, perplexed, then her eyes went wide as it clicked, "Wait!" She pointed at the woman floating in front of her and asked, "Are you a genie?" The well-endowed woman opened her mouth "Holy shit you're a genie!" Rebecca blurted out, not giving the other woman a chance to reply. "How does it work? Do I get three wishes? I can't believe you're real. There's no way this can't be real, right?" Rebecca continued to rant, "Ahhh, ahhh, fuck it! I wish I was a hyper curvy, giant cocked futa woman like the ones Amelia masturbates too!" Rebecca's hands went up to her mouth, covering it with aneep, "did I really just say that?" She said, looking up at the massive floating woman.

The genie chuckled, "Yes, you did. My, you're a little spitball of energy, aren't you?" The powerful woman pointed her finger at Rebecca. "Well, no going back now," she said as she blasted the mousey Rebecca with magic. "I'm Lexi, by the way," the blond genie said, grinning while watching Rebecca's body rapidly change before her.

Rebecca gasped as her top burst apart as her new giant tits swelled out, growing nearly as big as her in size. She moaned as the seams of her jeans popped open, exposing her creamy white skin. Her ass billowed out, making short work of her overtaxed pants. Her pussy grew plumper and fatter between her legs. Rebecca was so overwhelmed by the sensations of growing out all over that she collapsed onto the ground and let out a loud guttural moan as she came over and over. She couldn't unclench her hands, so she just mashed them into her breasts lustfully. Her expanded pussy gushed, with juices spraying all over.

Then she felt it with every beat of her heart—something was growing from between her legs. Each pulse made the swiftly growing cock between her legs stretch out fatter and longer. Her new balls clenched on top of her inflated pussy mons. She could see globs of white goo

shooting up into the air over and over as she came and came and came. Finally, she could see it. It was a thing of beauty and untold majesty. Her cock, Rebecca's rock-hard cock, reached higher and higher into the air.

She could easily see it above her monstrous melons that sloshed and jiggled on her chest. It just kept getting bigger and bigger. "Ahhhh ohhh fuck, i...is it going to stop?" Rebecca said unsure if she wanted it to or not. Finally, after another few seconds and globs of cum, Rebecca's enormous balls stopped clenching, her cock stopped twitching, and she stopped growing.

Unable to process everything that just happened, Rebecca started to sob and laugh at the same time. It felt so amazing, and she was so overwhelmed with the pleasure that she could only continue to let out blissful happy tears. After a few moments of crying, she finally pushed herself to her feet "that was incredible!" She blurted out. Though as she finally got a better look at herself, she took a step back, shocked, and said, "Holy crap! My...", she paused to glance back at her ass, "everything is huge! This is way bigger than the stuff Amelia looks at," Rebecca said, shifting her head from side to side to try and get a better view.

Lexi snapped her fingers, and a massive mirror appeared in front of the now hyper-endowed futa girl. "Well, you never specified which hyper curvy futa girl Amelia looked at," Lexi said, glancing nonchalantly down at her fingernails. "Turns out she looks at a lot of them. I made some assumptions" Lexi looked up from her nails as they changed to a different color.

"There's lots of Amelia's out there too, by the way," she said, wagging a finger at Rebecca. "You're lucky I'm so nice and I granted your wish based on your intentions and not my own." Lexi finished scolding Rebecca only to look up and see the other woman was still enamoured with her appearance in the mirror.

Lexi tsked and made the mirror vanish. "Are you listening?" She scolded again.

Rebecca snapped out of her daze. "Uh, wha, oh yeah, yeah, I'll be more careful," she said as a hand drifted down to her massive pole, giving it a rub. She groaned, and the veins in her neck throbbed. "Jesus, I didn't think a person could get this horny," she said as she pulled her hands away from her cock.

Lexi snorted. "Futas are perpetually horny, darling," she said before flashing a sly grin. "Or, well, Amelia's are anyway."

"Wait, so you took some interpretation from Amelia too?" Rebecca quizzed.

Lexi circled around Rebecca. "Variety is the spice of life, and I like my wishes to be a rich tapestry," Lexi said before she leaned in and tapped Rebecca on the nose. "So yes, I took some inspiration from your lovely Ms. Amelia." Lexi planted her hands on her hips. "Though I still can't do the whole love thing," she said sternly before adding, "though with a body like that, you're not going to have much to worry about. Your roommate has been waiting for someone like you for a long time," the genie finished.

Hearing that made Rebecca's heart leap: "Well, I need to get back! I don't want to keep her waiting! I..." Rebecca turned beet red. "I'm naked in the middle of a field, and I have to get back to my dorm room," her voice dropped to a mummer at the end of the sentence.

Lexi let out a songful laugh. "Personally speaking, if I had a body like that, I wouldn't care who saw me naked," Lexi said, bringing Rebecca's chin up and smiled, "but since I'm in a good mood, I'll do you a favour." Rebecca cried out; it felt like she was dunked in icy water. Her eyes squeezed shut from the sensation. When she opened them again, she was in her room. "Don't say I never did anything for you," the now smaller, blond-haired woman said before zipping back into her lamp.

Rebecca opened her mouth to say something when the sound of keys being pushed into the doorknob stopped her. Rebecca's eyes snapped to the door, and her mouth went dry as Amelia stepped through and shut it. As Amelia's gaze fell on her, Rebecca swallowed. "Becca? Is that you?" Amelia said as wide eyes took all of Rebecca's new look in.

Rebecca blushed "I, ah, I can explain," she said sheepishly.

Amelia locked the door and then ripped her button-up blouse open. "Explain later," she said as she undid her bra, letting her large, pillowy breasts spill out. "Fuck me now!" Amelia demanded as she threw herself on top of Rebecca.

"Woah, crap!" Rebecca shouted as Amelia started to ravage her body. Her horny roommate went wild playing with Rebecca. She couldn't help, but gasp and moan as her nipples were pulling on. Her breasts were slapped and fondled, and her massive cock was ground upon.

"Holy fuck, your cock is so huge! I never knew someone could get so big! I've gotta feel it inside me!" Amelia said as she positioned herself above the tip of the massive bell end. Spreading her legs, she lowered herself down onto Rebecca's impossibly big dong. The two women moaned and cried out with pleasure.

"Ohhh shit! Shit! It's stretching my pussy soooooo good! More! More!" Amelia squealed as the bulge in her belly juttled out bigger and bigger as her greedy, horny pussy swallowed Rebecca's monster pole. "I'm not stopping until every last inch is inside my slutty pussy!" The lust-driven woman shouted as she rubbed her belly bulge passionately.

Deeper and deeper, Amelia lowered herself onto the cock until her belly bulge was sticking up well above her head. Huffing and panting, Amelia looked at Rebecca and growled, "Fuck the shit out of me!" Rebecca didn't need to be told twice; she thrust into Amelia over and over as the blond-haired woman screeched and howled with pleasure at each thrust.

"Unnnghhh I just keep cumming over and over! It won't stop! Harder! Fuck me harder! I want to cum my fucking brains out!" Amelia cried as she was racked with orgasm after orgasm.

"Ahhhhhh! Ahhhhh! I don't know how you got so hot, Becca! I wish you had grown even bigger than this! Fuck, I've never been so turned on in all my life! This is a dream come true!" Amelia said between her moans and groans.

Rebecca found herself in shock even after taking that massive cock. Amelia wasn't satisfied. "Yo-you want more? Okay, then I guess more it is! Lexi! I wish Amelia was hyper curvy like me!"

A tiny Lexi appeared on Rebecca's shoulder. "Your wish is my command," she said as she pointed at Rebecca's roommate. As the magical energy enveloped Amelia, she started to moan louder and louder. Her breasts billowed out fatter and rounder; they smushed into Rebecca's giant udders, and the two pairs of jumbo titties bounced and slapped against each other as the two girls thrust against one another.

"Ohhh fuck! I'm getting even hornier! Yes! Yes! Turn me into a hyper curvy slut!" Amelia shouted as her ass cheeks filled out, growing plumper and juicier. Each of her ass cheeks was the size of an armchair. Their weight slapped down onto Rebecca's nuts over and over, making the futa woman gasp in bliss.

Rebecca could feel more and more of Amelia's pussy juice running down over her as Amelia's sex inflated puffier and puffier, swelling in size and clenching down on Rebecca's cock harder than ever. "This feels incredible! I've never felt so good! Don't stop! More! More! I can't stop fucking it; it feels too good!" Amelia ranted as her hips jackhammered up and down faster and faster.

With every thrust down, the bed creaked and groaned until, with a crash, it broke apart under the two hyper curvy women. The two of them didn't even slow down; if anything, they just kept going at it harder. "I can't hold back anymore, Amelia! I have to cum! Ahhhhhhh! I'm cumming!"

Rebecca bellowed as her balls clenched over and over, draining their contents into her lover, Amelia.

Amelia shuddered as her belly started to round out from all of the cum flowing into her. "Yes! Look at my belly! You're blowing me up like a slutty cum balloon! Keep going, Becca! Stuff my belly fatter!" Amelia said as she flexed her pussy over and over, trying to make her roommate and lover cum even harder.

As the two of them continued their passionate romp, Rebecca didn't want it to end. She never wanted this moment to stop. She was so happy, and she loved Amelia so much that she never wanted to stop fucking her. "Lexi! I wish Amelia and myself would just keep growing bigger and hornier forever! I never want this to end!" Rebecca said in a fitful moment of lust. Once she realized what she had said, it was too late.

Lexi grinned devilishly. "You got it, boss, one unending sex odyssey coming up." As the genie's magic went to work, the two women could only moan with ecstasy. Their breasts, butts, hips, pussies, nipples, and Rebecca's cock and balls all started to swell and swell and swell and swell. Their naughty bits rapidly ballooned out in all directions, filling the small dorm room they were in, in seconds. "Well, you kids have fun, I'm off to find a new master," Lexi said before she and her lamp blinked out of the room.

The brick-and-mortar walls around them put up a decent fight against the two women's expanding assets but eventually lost their battle. As the building around them started to rumble, the walls and ceiling cracked and crumbled around them. Amelia screamed with pleasure as her nipples erupted, milk gushing from their tips. "Ohhhhhh, it even feels like my titties are cumming! Ahhhh, lactating feels so good! Ohhhhh fuck, we're getting so big, Becca! I'm so fucking horny and I love it! I don't want this to ever stop!" Amelia said as she continued to cum harder and harder on Rebecca's gigantic, growing schlong.

As they continued to cum their brains out, their ballooning blimp butt cheeks grew out faster and faster, as though reacting to how horny the two women were becoming. Amelia's ass smashed through floor after floor until it burst through the roof of the dorm building. Rebecca's titties followed suit as her massive nipples burst through the roof, first followed by the rest of her rapidly advancing bosoms.

Milk rained down over the campus as her breasts erupted with milk like twin volcanoes. Her swelling pussy flooded the lower halls of the dorm until the two girls' weight was too much and they started to fall through the floors below them.

Not that it mattered; they were sporting so much cushioning that it was barely noticed. As the two sex-fueled women's growing naughty bits steamrolled the building they once called home, they only kept growing faster. Rebecca was in a state of constant cumming now her balls kept swelling and pumping out more and more of her white goo.

All of which was being stuffed into Amelia. Her belly was growing so fast that it was enveloping the entire college. Only it didn't stop there; it just kept swelling out faster and faster, filling with more and more cum. It wasn't long before Amelia's belly was bigger than a city, and she was loving every second of it.

With each new pulse and surge of growth to her cum blimp belly, she only came harder and squealed for more. The two pleasure-frenzied women just kept fucking harder and harder, making the ground around them shake as they took up more and more space. They loved how massive and slutty they were growing.

They knew they were never going to stop, and they only turned them on more. As they kept swelling bigger and bigger and bigger and bigger, their ass cheeks swallowed states. Then their titties outgrew countries, and still, it wasn't enough to satisfy them.

As Amelia's belly continued to grow and grow, she just shouted for more: "Don't stop Becca! I want the biggest, fattest, cum-stuffed belly! Pump me bigger than planets! I don't care! It just makes me hornier! And hornier! AND HORNIER! I NEVER WANT THIS TO END! FUCK ME UNTIL THE END OF TIME!" Amelia screeched as she came and came and came.

Rebecca hearing her lover's cries only fueled her desires more, and her nuts started to swell much faster than before. "I will, Amelia! I'll keep pumping you bigger! And Bigger! AND BIGGER! I'LL NEVER STOP! EVEN IF YOU OUTGROW THE UNIVERSE, I'M NEVER STOPPING!" Rebecca added in, helping drive their passion even higher. The two of them were now starting to outgrow the solar system, and we're only growing faster by the moment. They were locked in an unending dance of passion and lust, and neither was ever going to stop.

The End.
