

Another night, another girls night out.

Sarah and Emily start their infamous girls night out by heading to the movies to watch a new film they have heard about from their friends. The two of them drove up to the theater and walked up to the ticket office to purchase their seats for the show. As they walk into the main area of the theater, they are greeted by the sights, sounds and smell of trailers for movies playing, the lights shining throughout the area, and the wonderful smells of the concessions. People walked to and from the theaters and the concession stands as the two of them looked in wonder at the amount of people gathered around.

"Woah!" the two of them said with a hint of shock and awe in their voices.

"There are a ton of people here." Sarah said.

"Yeah," Emily replied. "Must be really popular."

"Well the movie starts in about 30 minutes. We should probably get some food and head over." Sarah said.

"Yeah!" Emily said with excitement. "Love to see what kinda foods they have. Maybe even some fun candies."

Sarah looks at Emily with a grin hiding something from her. "Yeah, better get some food. Want to make sure that we have plenty to eat."

The two of them walk up and get in line waiting for their turn to order. While Emily was bouncing up and down waiting for their turn to order, Sarah was standing behind her looking at her phone for reviews of the movie. As she scrolled through the most recent post, she began to notice some odd things some of the people were saying.

"Huh, this is strange." Sarah said.

"What you mean?" Emily asked.

"Well some of the reviews for the movie are saying that while it was a great show, it had some weird effects on them." Sarah said.

"Weird effects?" Emily said. "That's weird."

"Well either way it's our night out and we'll have fun either way. No matter what happens." Sarah said gleefully.

Soon enough the two of them got up to the concession stand and started to order food. Sarah was simple and got some popcorn, a drink and some chocolate candies. Meanwhile, Emily was looking at all the choices available and looked very happy seeing all the candies. Her chest was pressed up against the glass as she looked and tried to figure out what she wanted, till an employee told her to take a step back so her chest wasn't pressed against the glass. Sarah giggled seeing her girlfriend acting like a kid in a candy store with her massive chest pressed against the glass enclosure. Emily eventually decided on a drink and some yogurt blueberry treats.

After the concession stand, they made their way to the theater and walked into a massive room. They made their way up to their seats which were in the back of the theater but still in the

middle. Luckily for them, there was no one else around them, except for several people some rows closer to the front. As the show was about to start, they were greeted by a strange message about the film they were about to watch.

BEFORE WATCHING THIS FILM. VIEWERS MAY EXPERIENCE A SENSE OF INFLATION. THANK YOU AND ENJOY THE FILM.

"Inflation?" Emily said with a bit of confusion.

"Maybe this is what those reviews were talking about." Sarah said. "Either way this is gonna be fun."

"Mmh Hmm." Emily said with her mouth full of food.

Sarah saw that Emily was eating her snacks and even some of Sarah's popcorn even before the trailers were about to show. She knew that Emily was going to go to town on those yogurt covered blueberries but she had a plan for that. Sarah sneakily used some magic she learned and transformed Emily's entire box of sweets into a sweet cum coated blueberry snack that would cause her to get full fast as she ate more and more. Sarah chuckled and the two of them sat back in the massive seats and started to watch the film.

As the trailers for new movies played on, Emily kept at it gobbling down more and more cum tainted blueberries. More and more she kept at it, not noticing the effects that were taking place on her. The movie officially starts and the theater goes dark and Emily slows down a bit and gets really into the movie. As she keeps eating, her stomach starts to grow and stretch as the cum tainted blueberries, growing more and more pulling her shirt up. Emily didn't seem to notice her belly growing and kept on eating more, smiling and laughing as the movie played on. Sarah looks over at Emily and starts to see that her stomach was growing more and more as cum was filling up and inflating it like a balloon. She chuckles at Emily and pokes her shoulder.

"Hey," Sarah says. "Seems like you're having fun over there. Enjoying the movie?"

"Hehe. Yeah, I'm loving it so far. And the candy i got is amazing. So tasty." Emily said smiling.

"Yeah must be getting full huh?" Sarah asked while hiding a smirk and giggle.

"What... What do you mean?" Emily said looking at Sarah confused.

As she grabbed a handful of the tainted blueberries and tossed them in her mouth, she soon noticed that she was getting really full and felt her shirt being pulled up. That's when she looked down at her stomach and freaked out that her stomach was inflating like a balloon and was feeling very full and heavy. Sarah giggled and pointed out to Emily that to curb her habit of eating all her food before the movie even started, she might have put a spell on her yogurt covered blueberries that turned them, made them cum covered and made her belly filled up with cum and the more she ate the larger she would grow.

Emily was starting to feel angry that her girlfriend decided to play a prank on her and that her stomach was swelling more and more, soon growing to cover her lap and pressing up against her breasts. But even though Emily was angry, she could not get enough of the candy that she

was eating and a sense of hunger came back and continued to eat more and more. Emily's stomach kept on growing larger and soon was pressing her back in her seat, causing her to feel embarrassed and her curse to become active and her breasts swelling up. Sarah was looking at Emily and was starting to feel flushed and a bit horny that her girlfriend was starting to grow and swell up like a balloon. She grabs some of the cum tainted blueberries and slowly climbs on top of Emily and sits on her lap with Emily's stomach squeezed between the two of them.

"S... Sarah?" Emily said confused and a bit worried. "What are you doing?"

"Mmh what does it look like?" Sarah says in a sexy tone, rubbing Emily's swelling chest and squeezing her belly. "Seems like you have more room to grow."

"I... I mean..." Emily could barely say anything before she felt flushed and horny as Sarah dropped some covered blueberries into her mouth and swallowed them. Feeling the cum slowly filling her more and more.

As the two of them began to feel more intimate with each other, Emily's stomach was already the size of a massive beach ball that was squeezed in between her and pushing her back into her seat more and more. While Sarah was on top of her was playing around, squeezing her inflating breasts and rubbing Emily's nipples and pressing on her stomach, feeling the growth and softness on her hands. What the two of them had not realized yet is that as the two of them were feeling very intimate for each other, the people down in the lower section of the theater were starting to feel the hypnotic effects of the movie and were causing similar feelings for those and even some were inflating to make them more sexually appealing.

As the two of them continued to play around with each other, Emily's stomach and breasts were growing so much that her small shirt soon popped off her body and her fully exposed body was pressed deeper into the seat. Emily was feeling more passionate and more pleasure was filling her body and mind. Sarah kept on feeding her more covered sweets and playing with Emily's inflating form and smiling with pleasure and sexual energy.

"So then," Sarah asked. "How do you like the movie so far?"

"I mean... the movie's good but," Emily started to say but her bust was growing too large and was blocking Sarah's view of her. She pushed and squeezed them out of the way, making her moan softly. "But I think I'm starting to like this even more."

"Murr..." Sarah moaned out. "You are starting to look like a mommy already. Got those massive tits and your belly is so big." She moaned out and started to hug and squeeze the over inflated Emily.

"Oh..." Emily moaned out in pure pleasure. "Yes, I am your mommy Sarah. Murr..."

"Oh God I want to really make you my mommy. Just want to fill you up more and more." Sarah said into Emily's ear.

With a shudder and a moan, Emily and Sarah were feeling more and more under the effects of the hypnotic effects that the rest of the crowd was feeling. People down below were starting to grow bigger in size and soon large breasts and cocks were growing above the seats and people

were making out with each other and Sarah was feeling the greatest effect and was huffing and moaning, humping her girlfriend and causing Emily to beg to be filled up.

“Yes yes yes!!!” Emily moaned out. “Make me your big boobied mommy!”
“Murr...” Sarah moaned. “As you wish, my love. You’ll be my big mommy.”

Sarah soon climbs up and up top of Emily’s massive belly and starts to blow on her nipples like they were balloons. Emily felt her breasts being inflated and whimpered out as Sarah inflated her breasts even more, growing them to almost as big as she was. Sarah licked and nipped at Emily’s exposed and sensitive nipples making her yelp out cute noises. The more sexually charged Sarah got the more that Emily begged to grow more as the cum inside of her was not enough and begged out to be a big mommy with a massive pregnant like belly. Sarah looked deep into Emily’s eyes and gave her a smile and a nod.

Sarah was already on the edge of letting loose on Emily and with her begging to be massive and having a massive pregnant belly, Sarah did the only thing she could do. She took off her pants and lowered her panties to the floor, exposing her naked beauty to Emily. She soon waved her hands over her vagina and suddenly with a magical aura, Sarah began to grow a massive and impressive cock and balls. Emily looked at her girlfriend and saw that she had grown a massive cock that was half as big as she was tall, with testicle that looked like balloons filling up with cum.

“Now then,” Sarah looked at Emily, biting her lower lip and smiling. Wanting to ram her cock deep inside of Emily. “Are you sure that you want this?”
Emily looked in awe at the massive cock Sarah grew and was even more shocked that it didn’t seem to stop growing. “Murr... Shove that anaconda cock up in me. I am so hungry for more.”
“Hehe you are going to be the best and biggest mommy around.”

Sarah lifted up the massive and heavy cock and shoved it deep into Emily’s vagina and trusting it in and out, her massive testicle filling up more and more soon were as big as the seats and ready to release it all into her. Emily could barely see Sarah’s massive form but she could feel in going in and out and growing with each thrust making her feel more and more pleasurable and growing more to out match her in size. She soon covered more and more of the seat around her as she kept on growing larger and her stomach and breast, swelling like a balloon faster and with each thrust. Her weight and size were becoming too much for the seats as they buckled and bent underneath her as the two of them were all hot and sweaty from the raw sexual energy that was being released from them. Sarah’s cock was as big as she was and still growing longer and more girthy than before, her testicle swelling up and pushing her up and closer to Emily was the two of them moaned and groaned for what seemed like hours, but Emily begged for more and Sarah was all too happy to give it her all.

“YES YES YES!!!” Emily screamed out. “FUCK ME TILL I BURST!!! I WANT TO BE THE BIGGEST!!!”

Sarah was more than happy to keep fucking her as she kept on growing to match Emily in size, pound for pound, feet for feet. The two of them made loud and sexual moans as the whole theater was soon filled with the sounds of people having hot and raunchy sex as they grew bigger and inflated more. The hypnotic effects of the film had completely filled their minds and EMily and Sarah were experiencing the most of it as the two of them pleased themselves and fucked each other with their swollen forms.

Soon Emily grew so large that she covered the entire back row of seating and her body was pressing against the walls of the theater and was filling to burst as soon Sarah became so overfilled and ejaculated her entire load into Emily.

“FUCK ME!!!!” Sarah screamed out as her cock was like a firehose of cum that entered Emily’s body.

“OHHH FUCK ME SO MUCH!!!!” Emily screamed out as Sarah ejaculated all over her.

The pressure of cum inside of Emily was so much that her own body could barely hold it all in as her breasts were starting to swell and lactate not milk, but the cum that was flowing in her. Her pussy was also becoming so full as the cum was flowing in so fast and so much that it could barely contain it all in and was spilling out of her, covering Sarah’s cock and balls which made her ejaculate even more. They kept on growing faster and faster as the two of them were pleasuring themselves and feeling very horny and letting loose on each other. All the two of them could say was moans and groans as Emily was lactating all over the place and covering the two of them with the warm gooey mix of cum and milk. As Emily kept swelling she grew even more heavier and soon creaks and groans were filling the entire theater.

CRASH!!!!

Emily’s weight and size broke the rows of seating and collapsed the chairs as Emily was a massive lady with the figure of a mommy.

Suddenly the two of them soon calmed down from the effects of the movie and Sarah released from Emily’s vagina and her massive cock as big as the space they were in and she fell on her massive testicle that was refilled with cum. Emily was laying on her back with her massive belly and breasts touching the ceiling and pressed against the walls and seating. As the other movie goes left, they noticed the two of them and remarked on how big they got the amount of pleasure they must have felt.

Sarah soon was able to get up and make her way up and a top of Emily’s massive size and snuggled in between her breasts, covered in milk and cum and smiled.

“D... Did you have a good time?” Sarah asked panting and heaving.

“Hehe,” Emily smiled. “That was the best sex I think we’ve ever had.”

Sarah kisses Emily deeply. “Mmh. I’m glad you liked it. But I think we might not be able to come back again after this.”

“I mean,” Emily remarked. “You did make me into a big mommy girl for you.”

The two of them laughed and giggled as they realized that they were not going to be able to go home anytime soon until they shrank back into their normal size and with Emily thinking that she might keep the big pregnant belly looking for Sarah to fill up.
